Further instructions:

- Everyone answers Question 1
- If you want to use your points from attendance, please answer only one of the questions 2-4.
- If you do not have any points from attendance or want the total score to be based on the exam only, answer two of the questions 2-4.

Maximum total score is 21 points. Questions should be answered by using complete sentences.

1. Define a question based on the required readings in the book Issues in Management Accounting and answer the question.

Notice that to score excellent points, the question should show understanding of what you have read, not merely showing ability to memorize facts. (See the lecture material for more detailed criteria for assessment.)

9p

Questions based on the lecture material & articles 12p

2. Is the annual budget really dead? Base your answer on the articles by Ekholm and Wallin (2000) and Libby & Lindsay (2010).

3. How does Otley (2008) see the future of management accounting? What do you see as his most important claim? Explain. (+ if you can attach some other article from the collection to his claim and explain)

4. What was the main conclusion of the article by van Helden, van der Meer-Koistra and Scapens (2001, Co-ordination of internal transactions at Hoogoovens steel)? Explain and justify your answer.
