Further instructions:

- Everyone answers Question 1
- If you want to use your points from attendance, please answer only one of the questions 2-4.
- If you do not have any points from attendance or want the total score to be based on the exam only, answer two of the questions 2-4.

Maximum total score is 21 points. Questions should be answered by using complete sentences.

1. Define a question based on the required readings in the book Issues in Management Accounting and answer the question.

Notice that to score excellent points, the question should show understanding of what you have read, not merely showing ability to memorize facts. (See the lecture material for more detailed criteria for assessment.)
