

CORPORATE GOVERNANCE (2012)

Prof. Juha-Pekka Kallunki

Dictionary or any other materials **are not allowed** in the exam.

1st Exam

Prof. Kallunki's lectures:

1. Describe the duties of an audit committee.
2. Endogeneity is often a problem in corporate governance research. What is this problem and how can we try to solve it?

Prof. Nilsson's lectures:

3. Shortly discuss the design of a typical executive stock option program.
